Sir:

In compliance with Rules 1.97 and 1.98, and in fulfillment of the duty of disclosure under Rule 1.56, the accompanying documents are made of record on the enclosed sheet. As the USPTO has waived the requirement under 37 CFR 1.98(a)(2)(i) for submitting a copy of each cited U.S. patent and patent publication for applications filed after June 30, 2003, copies of the cited U.S. references are not enclosed, as the present application is filed after June 30, 2003.

A concise explanation of the relevance of these items is that these references were discovered during any

searches they or their client had made, or that they were considered in the preparation of the application.

Respectfully submitted,
